Financial Foundations

Frauds and Scams workshop

Scams come in many forms, but the ultimate goal of scammers is to steal your money

The reason they're successful is because scammers use a range of techniques to build trust and influence our decision making

Scams are becoming more and more realistic so it's important to know how to spot them, the actions you can take to protect yourself and what to do if you think you are being scammed

Toddington Village Hall

Wednesday 9th July 2025 Community Police Surgery

Toddington Village Hall

10:30am -12:30pm

Pop up information stall, crime prevention, financial foundations workshop and an opportunity to ask questions and get practical tips and advice to protect yourself from fraud and scams. Everyone is welcome!
